Please indicate the date your county will begin reengaging individuals exempt under the AB X4 4 Short-Term Exemption.

8/1/2013

Please describe your county's reengagement sequencing including, but not limited to, what groups your county will divide individuals into and in what order these groups will be reengaged.

Sequencing Group Description		Date Reengagement Begins
Group 1	Reengagement will be initiated based on the redetermination date of the participant.	

Formal training will be given to staff on the process for Reengagement in 5/2013. Mass mailing of the Reengagement Informing Notice will take place in 1/2013, 7/2013 and 2/2014 to ensure timeline informing is met.

Reports will be generated monthly and aligned with the Redetermination reports that will identify which cases will need a CW 2206, a Reengagement Notice and a CalWORKs Exemption Request CW 2186A. These will be sent out with the redetermination packets to the participants commencing 6/2013 for 8/2013 redetermination appointments. All appointments will be scheduled between 8/2013 and 7/2014 for San Luis Obispo County to ensure that all participants required to participate in WTW are scheduled by the end of 2014.

The required Evaluation Appointments to discuss reengagement will be done at the same time as the scheduled redetermination meeting already required annually for each case. All participants will have the opportunity to reengage sooner if they request it.
